

Press Statement

Cyclist Triyasha Paul, who is a part of the National Cycling Camp which is scheduled to start at Indira Gandhi National Stadium, has tested Covid 19 positive. Triyasha arrived at the camp on August 12 and was given SAI's mandatory Covid 19 test upon arrival. All members of the team have been in quarantine and in isolation since their arrival, and therefore Triyasha has not interacted with other campers during quarantine. She is being given all necessary treatment and is in isolation within the campus.
