## 1.0 SPORTS IN INDIA: AN INTRODUCTION

The Sports Authority of India (SAI), a successor Organization of the IX<sup>th</sup> Asian Games held at New Delhi in 1982, was set up as a Society registered under the Societies Registration Act 1860 in pursuance of the Resolution No. 1-1/83/SAI dated 25<sup>th</sup> January, 1984 of the then Department of Sports, Govt. of India with the objective of promotion of Sports and Games as detailed in the Resolution. It is also entrusted with the responsibility of maintaining and utilizing, on behalf of Ministry of Youth Affairs & Sports, the following Stadia in Delhi which were constructed/ renovated for the IX<sup>th</sup> Asian Games held at New Delhi in 1982 and subsequently renovated for the XIX<sup>th</sup> Commonwealth Games held at New Delhi in 2010:-

1. Jawaharlal Nehru Stadium Complex
2. Indira Gandhi Sports Complex
3. Dr. Shyama Prasad Mukherjee Swimming Pool Complex (Formerly known as Talkatora Swimming Pool)
4. Major Dhyani Chand National Stadium (Formerly known as National Stadium)
5. Dr. Karni Singh Shooting Ranges (Formerly known as Shooting Range Tughlakabad)

## 1.1 SPORTS AUTHORITY OF INDIA

Subsequently, in order to facilitate development of SAI as a robust sports promotion body, necessary knowledge and skills in the field of sports coaching and physical education were incorporated by amalgamating the erstwhile Society for National Institutes of Physical Education & Sports (SNIPES) consisting of Netaji Subhash National Institute for Sports (NSNIS), Patiala and its Centres along with two other institutes Lakshmi Bai National College of Physical Education (LNCPE) located at Gwalior and Thiruvananthapuram respectively, with SAI w.e.f. 1<sup>st</sup> May, 1987. The LNCPE, Gwalior was, however, delinked from SAI in September, 1995 on attaining the status of a “Deemed University”. SAI, today, stands out as an apex body for promotion of sports and sports excellence in the country.

## 1.2 GENERAL BODY & GOVERNING BODY OF SAI

As per the Memorandum of Association and Rules of SAI, the General Body (Society) and the Governing Body of SAI are constituted by the Government of India. The General Body and Governing Body of SAI were re-constituted by Department of Sports, Ministry of Youth Affairs & Sports in 2010. Following re-constitution, the Hon'ble Minister of Youth Affairs & Sports heads the General Body of SAI as its President and heads the Governing Body of SAI as its Chairman.

The General Body of SAI has 36 members (excluding the President and Vice-President). Of the total, there are 12 Ex-Officio members. The term of the members (except Ex-Officio members) is for a period of three years from the date of his/her nomination. Composition of the re-constituted General Body of SAI is placed at **Annexure-I**.

The Governing Body of SAI has 25 members (excluding its Chairman and Vice Chairman). Of the total, thirteen are Ex-Officio members. The term of the members (except Ex-Officio members) is for a period of three years from the date of his/her nomination. Composition of the re-constituted Governing Body of SAI is placed at **Annexure-II**.

### **1.3 AIMS AND OBJECTIVES**

## CHAPTER - II

### 2.0 SPORTS PROMOTIONAL SCHEMES OF SAI

Operation Division deals with implementation of different sports promotional schemes of SAI aimed at spotting and nurturing the talented children in different age groups for achieving excellence at the national/international level.

These schemes are being implemented by SAI through its Regional Centres located at Bangalore, Kolkata, Gandhinagar, Bhopal, Sonapat, Lucknow, Chandigarh, Guwahati and Imphal and Academic Wings located at NS NIS, Patiala and the LNCPE, Trivandrum. The Sports Science set up is well developed at Patiala, Bangalore and Kolkata and these facilities at other Centres are being upgraded suitably.

The salient features of the schemes are as under:

#### **NATIONAL SPORTS TALENT CONTEST SCHEME (NSTC)**

##### **BACKGROUND :**

- 1) The Governing Body in its 2<sup>nd</sup> meeting held on 18/10/84 approved the National Sports Talent Contest scheme proposed by the Sports Authority of India and on the recommendations of the Working Group of Planning Commission. Initially under the scheme the schools having tradition in sports and required sports infrastructure, residential facilities were adopted and provided with one time infrastructure grant of Rs.5.00 lacs (Rs.7.5 lacs for schools at hilly areas) each for creation of new facilities or improvement of existing sports facilities. In addition to this the schools were also provided with an annual grant of Rs.56,000/ which included Rs.20,000/ for purchase of consumable sports equipment Rs.27,500/ for maintenance of existing play-fields as well as Rs.2,500/ towards the purchase of books and magazines etc. & Rs.6,000/ annually towards meeting wages of part-time clerk and groundsman.

The schools were adopted on the following considerations:

- a) The schools should have some basic sports facilities in three mother disciplines, viz. Athletics, Gymnastics and Swimming and also have 2-3 play fields for outdoor games like football and hockey.
- b) The schools should have scope for further expansion of these facilities. It should be possible to provide the additional sports infrastructure and facilities with the proposed grant of Rs. 5 lakhs from SAI.
- c) The infrastructure and facilities created with the help of grant of Rs.5 lakhs from SAI will have to be maintained in future by the school authorities from their own funds.
- d) The management of the schools, which are adopted by SAI, should be agreeable to associate SAI with their admission policy and machinery and agree to reserve 10% of seats for promising boys and girls talented in sports.

However, from 1998-99 after review of the scheme, the system of providing one time infrastructure grant was discontinued and now schools with infrastructure facilities for playing are only adopted and are provided with an annual grant of Rs.20,000/ for purchase of consumable. (However no school was adopted after the review). Under the new concept the residential trainees are provided boarding/lodging in addition to Competition exposure Rs.2000/- & Sports Kit

Rs.2000/- per head per annum. The day boarders instead of boarding lodging are provided a stipend of Rs.300/- per head per month.

2. As per the directions given by the then Hon'ble Prime Minister of India in the capacity of President, SAI at the General Body meeting held on 31<sup>st</sup> July, 1993, the schemes were first reviewed by an independent agency (Tata Consultancy Service) engaged by the Deptt. of Youth Affairs & Sports in 1994. The TCS submitted its report in June, 1994.
3. After examination of the report by a Committee headed by Secretary (YA&S) and subsequently by MOS, the recommendations were submitted to the Governing Body at its 20<sup>th</sup> meeting of the Governing Body held on April 6, 1995. The matter was further discussed in a Special Meeting of the Governing Body of SAI held on 25<sup>th</sup> May, 1995 and the following decisions were taken:-
  - (a) Introducing the day boarding concept under the NSTC scheme.
  - (b) Closing of schools which are not functioning well, if there is no scope of improvement.
  - (c) Adoption of new schools preferably from KVS, NV, Sainik Schools and other residential/semi-residential schools, if they have good sports reputation and the management takes keen interest in participation in sports and students of the school have been winning various tournaments.
4. Based on the above directions day boarding concept was introduced under NSTC Scheme. Under this scheme each day boarders are allowed refreshment allowance of Rs.10 per day and also lump sum amount of Rs.15,000/ to the school.
5. As envisaged in the Tata Consultancy Report based on revised scheme the adopted children will be given stipend instead of lodging and boarding expenses. As explained earlier they will also get Rs.3000 per annum for sports kit as well as for competition exposure. Thus the expenditure per child was limited to Rs.6000/ per year. Per head expenditure under the residential scheme works out to Rs.25,000 per year and in the revised scheme 3 children could be nurtured and trained in the above amount. In other words, the coverage of NSTC scheme could be widened by taking more schools in the ambit of scheme. However, the selection criteria for admission will remain the same as that of residential trainees.
6. The Acceptance Committee of the Tata Consultancy Report also recommended for introducing day boarding concept in the schools with a view to train talented children in the schools, thus, enlarging the base and creating multi-player effect in the scheme. Revision as now being carried out is based on the above criteria only. As it may be difficult to weed out all the children presently their in the adopted schools, it has been felt necessary that as and when children are weeded out, the new admission in that school will be under day boarding scheme only. Gradually all the hostlers will be exhausted and adopted school system will be continued on non-residential basis.
7. On the basis of the review taken from time to time on NSTC and also based on the review of the scheme conducted by Tata Consultancy Report, 30 schools were de-adopted or kept in abeyance from the list of 62 schools.
8. Further as per the directions of the Governing Body and Finance Committee for increase in number of trainees it was felt desirable to adopt more schools and

Akharas as also to increase the number of trainees in the existing schools. Therefore the Regional Directors were asked to take up the matter with the concerned State and submit a list of schools, which have infrastructure facilities for adoption. The Director General in consultation with the Regional Directors, short-listed 26 schools and 11 Akharas out of 77 received from the State Governments/Regional Directors. The list of 26 schools & 11 akharas finally identified was submitted to the Finance Committee at its meeting held on September 1, 1999).

9. Subsequently a list of 26 schools identified for adoption was submitted to the MOS (Chairman of Finance Committee) on 9.12.99 and after his approval, a notification for adoption of schools was issued on 29.12.99.
10. At the time of presentation to the Hon'ble Minister of Sports about the various activities of SAI on 16.5.2000 it was decided that the scheme may be got reviewed and till further instructions, adoption of the new schools and Akharas may be kept pending. It was further desired to maintain the status quo with respect to the trainees. Accordingly, instructions were issued to the Regional Offices for not adopting newly identified 26 schools and 11 Akharas. The detailed proposal was submitted to the Ministry of Youth Affairs and Sports on 19.5.2000 for getting the scheme reviewed.
11. The SAI operational schemes were reviewed by the Working Group of the Planning Commission at the time of approval of 10<sup>th</sup> Plan documents. On the directions of Working Group necessary modifications were carried out and modified schemes were approved by the Governing Body of SAI in its 27<sup>th</sup> meeting held on July 9, 2001 for implementation during 10<sup>th</sup> Plan. Under NSTC scheme the following modifications have been carried out
  - Adoption of schools for promotion of indigenous games and martial arts,
  - Extension of schemes to Navodaya Vidyalayas,
  - Adoption of akharas and
  - Providing equipment support to upcoming akharas.
12. During 2002-03 27 schools adopted for promotion of indigenous games and martial arts, 24 Navodaya Vidyalayas, 5 akharas and equipment support provided to 15 upcoming akharas.
13. The selection of trainees for the adopted Navodaya Vidyalaya will be conducted covering the jurisdiction of 4 vidyalayas for admission in one school. With this by the end of 10<sup>th</sup> Plan Period all the Navodaya Vidyalayas will be covered.
14. During 2003-04 budget provision has been made for adoption of 25 Vidyalayas, 10 akharas and to provide equipment support of 10 akharas.
15. For effective and competitive training, it is essential to have a minimum of 10-15 trainees in Individual events and to form at least two teams in the Team events, therefore, RDs were requested to take corrective action for induction of more trainees to be scouted as per the laid down criteria.

16. The Regional Centres are requested to recommend those schools with their comments which are not interested to continue the NSTC scheme so that approval of the competent authority can be obtained for de-adoption or be kept in abeyance.
17. The scheme is being monitored at Regional Centres regularly.

The National Sports Talent Contest Scheme was launched during 1985 under which the talented young children between the age group of 8-14 years are spotted and nurtured by providing scientific training.

**Objective:**

The main concept of the scheme is to PLAY & STUDY in the same school, Scientific scouting of talent at optimum age of 8-14 years essential for converting the genetically and physiologically gifted children into future medal hopes in various competitions at National and International level.

**Disciplines covered under the NSTC:**

**Regular schools** - Athletics, Badminton, Basketball, Football, Gymnastics, Hockey, Kabaddi, Kho-Kho, Swimming Table Tennis, Volleyball & Wrestling.

**IGMA** - Archery, Kabaddi, Kalariapayatu, Mukna, Silambam, Thangta,

**Sports Centre on the pattern of Akharas** – Football & Judo

NS NIS trained coaches are provided to schools, akhara & sports centres.

**Selection Criterion:**

- 1) For Regular schools/Akharas- Trainees, who are medal winners in State/National Level Competitions are automatically admitted into the Scheme, subject, to their being found medically fit. Trainees who are medal winners at District Level Competition or have participation in State Level Competitions are admitted subject to their being found fit medically and physically and also have the required potential which is assessed by battery of tests.
- 2) For selection from the remote, tribal & coastal areas, the trainees are also selected through competitions organized for the purpose. Selection is done by a Selection Committee consisting of representatives of SAI, School/Akhara, SAI coaches, Sports Scientists etc. The sports persons identified on this basis are offered admission after age verification, medical examination and on found suitable by applying battery of tests.
- 3) IGMA - Open competitions are organized for scouting and spotting of talent.

**FACILITIES PROVIDED UNDER THE NSTC SCHEME (Revised 20<sup>th</sup> January 2013)**

Presently under the Scheme, selected trainees are admitted on non-residential basis. However, as an exceptional case the trainees have been admitted in two schools on a residential basis and they are provided boarding & lodging facilities instead of stipend.

## **ARMY BOYS SPORTS COMPANY SCHEME (ABSC)**

### ***INTRODUCTION***

With the ultimate objective to reach international excellence in sports, the Army has joined hands with the Sports Authority of India to nurture talented boys in sports. The termination of boys companies in the Army in 1976 has had a direct bearing on the decline of sports in the services as the Boys Companies were nurseries from which many outstanding sports persons in the past were spotted and trained. Army had joined hands with the Sports Authority of India to nurture talented boys of 8 to 14 years in 18 Boys Companies started with the assistance of SAI during 1991-92 as approved by the Governing Body in its 15<sup>th</sup> meeting held on 18<sup>th</sup> January, 1991. The Boys Sports Companies at the time of rising are provided one time financial assistance of Rs. 3 lakhs for creation/development of sports infrastructure and Re. 1 lakh for purchase of non-consumable sports equipment.. During 1999-2000 at the time of rationalization of the scheme for better education, competition exposure, training, scientific support etc. it was decided to merge the 16 BSCs into 8 BSCs. At that time it was felt that the amalgamation of BSC would be advantageous in the long run, as they would be developed as excellent sports school with added advantage of scientific backup sports throughout the training period. This apart, trainee will also get an opportunity to have better education facility from what they are getting at present 10 new BSCs were raised in Sept. 2004.

### **OBJECTIVE**

This is a collaborative venture of SAI with the Indian Army, The main objective of the Scheme is to make use of the good infrastructure and disciplined environment of the Army for training boys in the age group of 8-16 years of age, to achieve excellence in sports. After attaining the required age of seventeen and a half years, the trainees are also offered placement in the Army.

### ***SELECTION CRITERIA***

The selection of trainees under the above scheme is done on potential and performance basis.

- 1) Trainees who are medal winners in State/National Level Competitions are automatically admitted into the Scheme, subject to age verification and being found medically fit.
- 2) Trainees who are medal winners at District Level Competition or have participated in State Level Competitions are admitted, subject to age verification and being medically and physically fit. The potential of the trainee is assessed by a battery of tests.

- 3) For selection of raw talent from remote, tribal & coastal areas, competitions are organized for both team as well as individual games. Selection done by a Committee consisting of representatives of SAI, Army & SMC coaches. Selection is done on the basis of:
- Application of specific games/Skill tests.
  - Verification of age between 8 to 16 years.
  - Application of Battery of tests on sports persons qualifying in the specific games/skill tests & age-verification to assess their potential.
  - Medical examination of sports persons qualifying the above tests.

**Disciplines Covered:**

Archery, Athletics, Basketball, Boxing, Diving, Equestrian, Fencing, Football, Gymnastics, Handball, Hockey, Kayaking & Canoeing, Shooting, Swimming, Rowing, Volleyball, Wrestling & Weightlifting.

**Facilities Provided:**

Under the Scheme the trainees are provided boarding & lodging, Educational Expenses, Sports kit, Insurance, Medical cover, Competition exposure, besides scientific coaching from experienced SAI coaches.

## **SAI TRAINING CENTRES (STC)**

### **INTRODUCTION**

The Govt. of India vide order dated 28.5.87 constituted a Committee with Shri R. Gopaldaswamy, Secretary, DYA&S to study all scheme of Govt. as well as amalgamated SAI (In 1987 the SNIPES Board under which NSNIS & LNCPE were functioning was amalgamated with SAI) which promote sports and games including physical education. The mandate given to the Committee was to review the programmes and schemes and make recommendations for their continuance with or without modification and where necessary also merger the scheme adopted by different agencies. The Committee felt that with a view to get talent from the Rural Areas, bring sports to all and to provide in-house coaching facilities to the talented youth of the country in their own States, Sports Authority of India should launch a scheme known as Sports Project Development Area Scheme (SPDA).

Based on the recommendations of the Committee, a scheme was formulated and placed before the Governing Body in its 12<sup>th</sup> meeting held on June 30<sup>th</sup> 1988 for approval. Under the scheme each SPDA centre is to cover 80 to 100 development blocks and would be jointly implemented by the Central & State Govts./Uts. on 50:50 basis. Under the scheme State's share is provided in kind, including basically, the hostel and the land for development of infrastructure for starting the SPDA... The Central Govt. share is provided 75% in hilly areas & 50% in other areas subject to a maximum of Rs. 75 lakhs and Rs. 50 lakhs respectively, keeping in view the project cost of one SPDA centre as Rs. 1 crore, It was originally planned to set up 78 SPDAs. Under the scheme each SPDA is to cater to a maximum of 4 Olympic disciplines based on the popularity of these disciplines in that area.

With the aim to provide coaching, training and nutritional support to sports persons who have attained the advanced level of sports proficiency the scheme known as Sports Hostel was launched by the erstwhile SNIPES Board and at the time of amalgamation with SAI number of sports hostels were in existence.

Based on the study conducted Tata Consultancy Services, the Governing Body in its meeting held on 25<sup>th</sup> May, 1995 decided to merge both the Scheme and retitled '**SAI TRAINING CENTRE SCHEME**'.

The Earlier (1987) Sports Project Development Area Scheme (SPDA) Scheme and the Sports Hostel Scheme of the SNIPES Board were merged, following a comprehensive study, by the Governing Body of SAI in its meeting held on 25<sup>th</sup> May, 1995. The new Scheme was titled decided to merge both the Schemes and titled as '**SAI TRAINING CENTRE, (STC) SCHEME**'. The STC scheme was aimed at grooming junior level sports persons in the age group of 14 to 21. Consequent to the scheme being reviewed in 2012, the age group has been changed to **12 to 18** years. In order to establish and run SAI Centres, the State Government were to provide all the infrastructure facilities, with SAI

providing boarding and lodging to the selected trainees, scientific training / equipment support and minor current repairs of the infrastructure.

#### **OBJECTIVE:**

### EXTENSION CENTRES OF STC/SAG CENTRES

#### OBJECTIVE

The extension centres of STC/SAG centres Scheme was started to cover schools and colleges for wider coverage in 2005, with a view to develop sports standards in schools and colleges which had requisite basic infrastructure and had shown good results in sports. Trainees in the age group of 12-18 years are adopted under the Scheme.

#### DISCIPLINES COVERED:

Archery, Athletics, Badminton, Basketball, Boxing, Cycling, Football, Gymnastics, Handball, Hockey, Judo, Kabaddi, Shooting, Swimming, Table Tennis, Volleyball, Weightlifting, Wrestling & Wushu.

#### SELECTION OF THE INSTITUTION:

Schools and colleges actively involved in sports and having adequate infrastructure are eligible under this scheme. The institution should have a past history of producing national and international sports persons.

#### SELECTION OF TRAINEES:

Not more than 20 trainees in a School/College are adopted under the Scheme. The students of nearby schools/colleges can also be admitted. The selection of trainees is done by a duly constituted Committee consisting of (1) Regional Director (SAI) or his representative (2) The Head of the College/Institute or his representative (3) Experts/Coaches from the school/college of the concerned discipline (4) Outstanding sports persons of the area. Age is relaxed in cases of commendable results/exceptional talent.

These Extension Centres are monitored by the nearest STC/SAG and Heads of SAI Regional Centres under whom the respective School/College falls. The power to sanction such Centres vests with the Director General, SAI.

## **NORMS OF ASSISTANCE TO THE TRAINEES/ INSTITUTIONS:**

### **CENTRE OF EXCELLENCE SCHEME (COE)**

#### **OBJECTIVE**

As a natural corollary to the Schemes for Sub-Junior and Junior, the Scheme of Centres of Excellence was started in 1997. The scheme envisaged induction of sportspersons, who had performed well at Sr. National Competitions, for further advanced scientific training at the Regional Centres of SAI for 330 days in a year. These Centres of Excellence operate as regular coaching camps for the best available talent in India and provide concurrent layers of skilled sports persons, giving a wider choice of talent and continuity for selection to National Teams and provide alternative second and third options for the National Teams.

#### **SELECTION CRITERIA:**

Sports persons who achieve best four positions in all age group in National Championships in individual events and are winners or Runners-up in Team events are selected. The trainees are admitted in the age group of **12 to 25 years**. Those trainees who continue to perform to the desired level at National and International level continue to be covered under the Scheme with age relaxations in deserving cases. Employed trainees are also admitted under the Scheme and are provided the same facilities as those provided to other trainees.

#### **Facilities provided:**

COE trainees are provided with the state of art facilities, equipment and scientific back up along with specialized training. The trainees are provided upgraded boarding and lodging facilities, sports kit, sports equipment, competition exposure, insurance, medical expenses etc. as per norms.

### Disciplines Covered:

Archery, Athletics, Boxing, Cycling, Fencing, Football, Gymnastics, Hockey, Judo, Kabaddi, Karate, Kayaking & Canoeing, Rowing, Swimming, Table Tennis, Taekwondo, Volleyball, Weightlifting, Wrestling & Wushu.

### COME & PLAY SCHEME

**OBJECTIVE:** The 'Come & Play Scheme' was initiated for optimum utilization of SAI sports facilities in Delhi and across the country, and primarily focused on encouraging local sports persons in areas where SAI sports facilities/Centres are operational. While providing youth from local communities and sports enthusiasts with an opportunity to train under SAI coaches, the scheme provides yet another avenue for those not covered under regular residential/ non-residential schemes. The scheme creates yet another pool of talented sportspersons from where meritorious sportspersons can be scouted and inducted into regular residential sports promotional schemes of STC and SAG.

The Scheme was initiated at various SAI Stadium Complexes in Delhi, in phases, in May, 2011. The enthusiasm and overwhelming response for the scheme encouraged SAI to launch this Scheme at its various Regional Centres/Sub Centres/Academic Institutions/STC and SAG Centres from 1<sup>st</sup> October 2011.

The scheme is given wide publicity through press release in local media, including newspapers, TV spots and Radio jingles etc. Information/ intimation is provided to various district, block, local authorities and the District Education Officers/District Sports Officers as also Headmasters/Principals of schools/colleges in and around SAI Centres so that maximum number of trainees are made aware of the facilities available, thereby enabling them to access it better.

**SELECTION CRITERION:** The `Come & Play Scheme' essentially caters to the 8-17 age group. Following their selection, age specific competitions i.e. 8-10, 10-12 and 12-17 years are conducted twice a year. The first three position holders in the relevant age groups in these competitions are encouraged to participate in the competitions organized for selection of trainees for admission in STC/SAG schemes under Category/Criteria III of selection.

**DISCIPLINES COVERED:** The specific sports disciplines to be covered are decided by the In-charge Regional Centre/Sub-Centre on the basis of available infrastructure, sports equipment and coaches.

**FEE STRUCTURE:** A nominal fee of **Rs. 45/- per month** may be charged for specified time allotted usage. Complimentary membership (without fees) is issued to International Sportspersons and National/State medal winners (both in the age group of 17-21 years) during last 3 years, children of SAI employees on yearly basis. Complimentary membership is also given to Below Poverty Line trainees. Girls trainees and children in Government schools are given membership at 1/3<sup>rd</sup> of the above mentioned fees.

The trainees are provided playing arenas/non-consumable equipments like field, track, tables, mats, etc. Minimum and inescapable consumables like balls, shuttle-cocks, etc. are also provided by SAI. Trainees are, however, required to bring sports equipment like racquets, bats etc.

- 7.0 A summary on the strength of SAI Trainees (boys & Girls) scheme-wise is provided at Annexure-IV to XII.**
- 8.0 Summary of Statemenmt showing the number of SAI Centres and Strength of the Trainees 2012-13 is provided at Annexure - XIII.**
