Dated the 18<sup>th</sup> November, 2019

To

**All Principal Secretaries/ Secretaries (School Education) of States / UTs.**

**Sub: Fit India Movement – Fit India School**

Hon'ble Prime Minister has launched the FIT INDIA Movement on 29<sup>th</sup> August 2019 with a view to make physical fitness a way of life. FIT INDIA Movement aims at behavioural changes - from sedentary lifestyle to physically active way of day-to-day living. FIT INDIA would be a success only when it becomes a people's movement. We have to play the role of a catalyst.

2. You would agree that 'How to Live' ought to be the first pillar of formal education. This involves teaching and practicing the art of taking care of one's body and health every day. Therefore, schools have to be the first formal institution after home where physical fitness is taught and practiced.

3. In the above background, the Fit India Mission has prepared a system of FIT INDIA SCHOOL rating with simple and easy parameters as below:

**3.1 FIT INDIA SCHOOL:**

The following parameters would apply:

- a) Having one teacher trained in PE, and such teacher is physically fit and active;
- b) Having a playground where two or more outdoor games are played.
- c) Having one PE period each day for every section and physical activities (sports, dance, games, yogasan, PT) take place in the PE period.
- d) Having all students spending 60 minutes or more on physical activities daily.

**3.2 FIT INDIA 3 STAR SCHOOL:**

The following additional parameters would apply for claiming a 3 Star rating:

- a) All teachers to be physically fit and spending 60 minutes or more every day for physical activities.
- b) School has at least two trained teachers (including one PET), each well versed with any two sports.
- c) Sports facilities for 4 sports including the 2 outdoor sports.
- d) Every student learns and plays 2 sports - one of which could be a traditional/ indigenous/local game.

**3.3 FIT INDIA 5 STAR SCHOOL:**

The following additional parameters (over and above 3 Star rating) would apply for claiming the highest rating:

- 3
- a) School conducts monthly intra-school sports competitions, participates in inter-school sports competition and celebrates Annual Sports Day.
  - b) All teachers are trained in PE.
  - c) School has 2 or more sports coaches. These may be PE teachers.
  - d) School follows structured PE curriculum prescribed by NCERT/ School Board.
  - e) School conducts annual fitness assessment of all children.
  - f) School opens its playground(s) after school hours for neighbouring communities, and the same is actively used. Reasonable fee can be levied for maintenance and security.

#### 4. Procedure for FIT INDIA SCHOOL

- 4.1 Basic FIT INDIA SCHOOL would be self certified and registered online at [www.fitindia.gov.in](http://www.fitindia.gov.in) by the School. Upon registration, a certificate would be issued online to the School, and on receipt of such certificate the School would be entitled to use Fit India Logo and Fit India Flag.
- 4.2 For FIT INDIA 3 Star or 5 Star rating the school would have to file its claim online at [www.fitindia.gov.in](http://www.fitindia.gov.in). The Fit India Mission would get the claim verified and thereafter issue an online certificate and commendation letter. The same would be followed in print and dispatched through postal mail.

5. FIT INDIA is going to be included in the Prime Minister's Award. I request you to make FIT INDIA a successful people's movement by providing your leadership for the following:

- 5.1 Apprising all schools, public as well as private, in your State of the above and encouraging them to seek Fit India Ranking;
- 5.2 To honour Fit India 3 Star and 5 Star Schools by organising appropriate function in the State Head-Quarters. Fit India 5 Star Schools could be felicitated at State level Republic Day and Independence Day functions;
- 5.3 Nominate a senior officer as a State Nodal Officer for Fit India in your department and intimate to us; and
- 5.4 Organise Fit India events at schools from time to time. You may encourage schools to use their creativity in designing and organising Fit India events.

6. CEO Fit India Mission Mr. Rohit Khanna can be contacted at +91 9769007788 and at [rohit.khanna1107@gmail.com](mailto:rohit.khanna1107@gmail.com). Any query may be sent to [fitindia.sai@gmail.com](mailto:fitindia.sai@gmail.com).

D.O No. 12-1/2019-IS.4

Dear Shri Singh,

Please refer to Department's of Sports D.O. letter of even number dated 19.11.2019 regarding "Fit India Movement-Fit India School". Certain parameters for Fit India rating of schools have been found to be inconsistent with the present norms of teacher recruitment in government schools. With the present parameters, the majority of government schools in the country will stand eliminated from the Fit India ranking system.

In view of the above, I would like to request you to relax the parameters listed below:

**Fit India School :**

- Having one teacher trained in PE, and such teacher is physically fit and active.

**Fit India 3 star School :**

- School has at least two trained teachers (including one PET), each well versed with any two sports.

**Fit India 5 star School :**

- All teachers are trained in PE.
- School has 2 or more sports coaches. These may be PE teachers.
- School conducts annual fitness assessment of all children.

2. Presently, standard parameters for determining the fitness level of school teachers are not available which is delaying the process of declaring a teacher "physically fit". Therefore, parameters for assessing the fitness of teachers may be shared with this Department.

3. Schools in States and UTs are directly registering themselves on Fit India portal which is being operated by Department of Sport. This Department does not have any access to the data available on the portal/dashboard of Fit India. It is requested that user Id and password may be created for this Department for accessing the dashboard of [www.fitindia.gov.in](http://www.fitindia.gov.in).

4. In view of the above, I would request you to kindly relax the norms for Fit India School ranking system and share the parameters for fitness of teachers and user ID and password for Fit India dashboard with this Department.

*With regards,*

Yours sincerely
