Annexure-I**List of Centres proposed for KICs in the UT of Andaman & Nicobar**

Sr. No	District	Centre Proposed Location	Discipline
1	North & Middle Andaman	Netaji Stadium -Matabunder	Football

List of Centres proposed for KICs in the State of Andhra Pradesh

Sr. No	District	Centre Proposed Location	Discipline
1	Dr. B.R Ambedkar Konaseema	DSA, Dr B.R. Ambedkar Konaseema District GMC Balayogi Stadium, Amalapuram	Basketball

List of Centres proposed for KICs in the State of Gujarat

Sr. No	District	Centre Proposed Location	Discipline
1	Devbhumi Dwarka	Ashwamegh Secondary & Higher Secondary School	Kabaddi

List of Centres proposed for KICs in the State of Haryana

Sr. No	District	Centre Proposed Location	Discipline
1	Rohtak	Meham Boxing Club Ashok Nagar Meham, Rohtak	Boxing

List of Centres proposed for KICs in the State of Tamil Nadu

Sr. No	District	Centre Proposed Location	Discipline
1	Chennai	SDAT, Sports Complex No 116 A, Periyar Evr High Road, Chennai - 600084	Archery

List of Centres proposed for KICs in the State of Nagaland

Sr. No	District	Centre Proposed Location	Discipline
1	Meluri	Indoor Stadium, Town Hall, Meluri	Sepaktakraw
2	Meluri	Multi-Disciplinary Sports Complex, Meluri	Badminton

Games Management System Revamp

S No	Target	Focus Area	Description
1	Web Portal	Unified Portal	Develop a single, unified instance for all future and upcoming Khelo India Games to manage all editions within one system. This involves creating a multi-tenant architecture to support multiple game editions seamlessly, eliminating the need for separate instances for each event. The system will include features for edition selection, centralized data management, and user authentication to ensure secure access across different editions.
2	Web Portal	Records Portal	Create a comprehensive analytical portal to display and analyze records, including detailed athlete performance metrics (e.g., scores, rankings, and participation history) and historical data from past Khelo India Games. The portal will feature interactive visualizations such as charts, graphs, and heatmaps to provide insights into game statistics, trends, and performance benchmarks, enabling stakeholders to make data-driven decisions
3	Web Portal	Scoring	Implement a robust system for saving, displaying, and managing scoring data for Khelo India Games events. This includes developing APIs for seamless data exchange with external systems, ensuring real-time score updates, and providing a user-friendly interface for score input and display. The system will support validation checks to ensure accuracy and consistency of scoring data across events.
4	Web Portal	Reports	Generate detailed analytical reports covering key metrics such as maximum participation (categorized by male and female athletes), maximum medals won, top 3 medalists per event, sports with the highest participation, and dominant sports based on performance. The reports will include customizable filters and export options (e.g., PDF, Excel) to facilitate analysis and sharing among stakeholders
5	Web Portal	NSF - NSRS Integration	Integrate National Sports Federations (NSFs) portals with the National Sports Repository System (NSRS) to automate the athlete nomination process. This involves developing secure APIs to sync athlete data, enabling seamless communication between NSFs and NSRS, and ensuring compliance with data privacy standards. The integration will streamline nominations by reducing manual processes and improving data accuracy.

6	Web Portal	Form V	Revamp the user interface for displaying athlete lists categorized by events and editions of Khelo India Games. The revamped interface will prioritize user-friendliness, incorporating intuitive navigation, responsive design, and advanced filtering options to allow stakeholders to easily access and manage athlete data for specific events and editions.
7	Web Portal	Khelo India Events Website	Overhaul the existing Khelo India Events website to enhance its design, functionality, and user experience. The revamp will include modernized aesthetics, improved navigation, mobile responsiveness, and integration of dynamic content such as event schedules, live updates, and multimedia galleries to boost engagement and accessibility for users
8	Mobile App	Super Admin Login	Enable a super admin login feature with view-only access to all web portal features, ensuring oversight and monitoring capabilities. This feature will allow super admins to monitor all activities, including scores, reports, and stakeholder data, without the ability to modify data, ensuring secure and controlled access to critical information.
9	Mobile App	Profile and Attendance for All Stakeholders	Allow Chief de Mission (CDM), Technical Officials (TO), and Competition Managers (CM) to access and manage profiles and attendance via the Khelo India Games mobile application. The feature will include secure login, profile management, and real-time attendance tracking, with role-based access controls to ensure stakeholders can perform their duties efficiently.
10	Mobile App	Scoring	Revamp the scoring functionality on the mobile app to improve usability, accuracy, and integration with the web portal's scoring system. This includes developing a mobile-friendly interface for score input, real-time synchronization with the web portal, and validation mechanisms to ensure data integrity across platforms
11	Mobile App	Reports	Generate reports on the mobile app mirroring web portal reports, covering maximum participation (male and female), maximum medals, top 3 medalists, sports with highest participation, and dominant sports. The reports will be optimized for mobile viewing, with options for filtering, downloading, and sharing to support on-the-go decision-making.

Annexure- III

ASMITA CITY/DISTRICT LEAGUE 2025-26			
<u>S.No</u>	Discipline	Number of City/ District Leagues proposed	Total funds to be released to NSF @ Rs 75000/- per City/District league (in INR)
1	Taekwondo	100	7500000
2	Football	100	7500000
3	Weightlifting	100	7500000
4	Kickboxing	100	7500000
5	Pencak Silat	75	5625000
6	Amateur Soft Tennis	30	2250000
7	Shooting ball	30	2250000
8	Tennis Ball Cricket	30	2250000
9	Sepaktakraw	30	2250000
10	Cycling	25	1875000
11	Basketball	25	1875000
12	Roll Ball	25	1875000
13	Hockey	20	1500000
14	Rugby	15	1125000
15	Rowing	10	750000
16	Yogasana	5	375000
TOTAL		720	5,40,00,000/-

Table 1: Required Manpower, Roles & Responsibilities

S.No.	Manpower Designation	Roles and Responsibilities
1	Tester	Creation of Test Plans, Test Case Development, Execution of Tests, Reporting of Defects, Performance Testing, Collaboration with Developers to resolve bugs, Regression Testing if new features are added, and compliance to standards.
2	PHP Developer	Development of System Architecture, Coding and implementation of underlying logic, integration and deployment, collaboration with UI/UX Designers and Testers for continuous integration and deployment.
3	iOS Developer	Implementation of System Architecture in coordination with PHP Developer, Coding and implementation of underlying logic, integration and deployment, collaboration with UI/UX Designers and Testers for continuous integration and deployment.
4	Android Developer	Implementation of System Architecture in coordination with PHP Developer, Coding and implementation of underlying logic, integration and deployment, collaboration with UI/UX Designers and Testers for continuous integration and deployment.

Annexure V

Development Plan for the rollout in Two Months of the following modules is presented below :

Module	Sub Modules	Development Status
Super Admin	Center Specific Report, Module Specific Report	Ongoing
Center Admin	Module Creation, Training Calendar Creation, Module Reports	Ongoing
Athlete	Periodization Plan, Wellness Questionnaires, Load Monitoring	Ongoing
Coach	Periodization Plan, Wellness Questionnaires, Load Monitoring, Reports	Ongoing
Nutrition	Nutrition Questionnaire, Diet Plan, Appointments, 24hr Recall, Reports	Pending
Biochemistry	Iron Profile, Haematogology and Urinalysis Reports	Pending
Physiotherapy	Injury Management and Rehabilitation, Reports	Pending
Strength and Conditioning	Strengthening, Conditioning and Monitoring, Reports	Pending
Exercise & Sports Physiology	General and Sport Specific Fitness Evaluation, Reports	Pending
Biomechanics	Movement Analysis, Technical Evaluation, Performance Evaluation, Reports	Pending
Android Mobile Application	Android Mobile application with features and information from all the above modules	Pending
iOS Mobile Application	iOS Mobile application with features and information from all the above modules	Pending

AMS - Tentative Expenditure					
S. No.	Manpower Designation	Required Technical Man Months (A)	No of Resources (B)	Monthly Unit Cost (in Rs.) (Inclusive of all)	Total Estimated Cost (Inclusive of all) (In Rs.) (D = AxBxC)
				(C)	
1	iOS Developer	8.5	1	80984	688364
2	Android Developer	8.5	1	80984	688364
3	PhP Developer	8.5	3	128225	3269737.5
4	Tester	8.5	1	67487	573639.5
Total Estimated Cost for till the duration of the current scheme i.e., 31-03-2026 (Inclusive of All) (In Rs.)					52,20,105
